

North Iliniza CLIMBING EXCURSION GEAR LIST

We understand how important it is for our clients to have the right equipment on their trips. That is why we provide you with this **North Iliniza Climbing Excursions Gear List**, which gives you a detailed inventory of all the items you will need during your excursion.

We recommend to always purchase quality equipment. We realize that this may be expensive, but it can mean the difference between reaching a summit and not. Some (technical) equipment can be provided by Andeanface (as indicated below); please let us know beforehand if you bring these items yourself or if you would like to use Andeanface's gear.
